GEOMETRY SEMINAR

Holomorphic isometries with respect to the Bergman metric

Professor Ngaiming MOK
The University of Hong Kong

Abstract

The talk is a second phase of the talk “From the Bergman kernel to holomorphic isometries: a method of analytic continuation” given by the Speaker on September 30 (cf. abstract there). The presentation will be made as self-contained as possible, and key facts from the last lecture will be reviewed.

Date:	October 21, 2008 (Tuesday)
Time:	3:00 – 4:00pm
Place:	Room 517, Meng Wah Complex, HKU

All are welcome
