

Working Seminar on Several Complex Variables and Complex Geometry

**Proper holomorphic mappings among Type-I
symmetric domains**

December 9, 2014 (Tuesday), 2:00 - 4:45pm

Rm 210, Run Run Shaw Building, HKU

2:00 - 2:45

Dr. Yun Gao (Shanghai Jiao Tong University & HKU)

Fundamentals and literature

2:45 - 3:45

Dr. Sui Chung Ng (East China Normal University)

**Double fibration for Type-I bounded symmetric domains
and generalized balls**

4:00 - 4:45

Dr. Yun Gao

**Classification problem of rational proper maps among
generalized balls**
