Relative Langlands program

Dr. Kei Yuen Chan

Shanghai Center for Mathematical Sciences
Fudan University, China

Abstract

Relative Langlands program aims to generalize the classical Langlands program to homogeneous variety such as symmetric and spherical varieties. In this talk, I shall survey some recent developments on relative Langlands program.

Date: February 4, 2020 (Tuesday)

Time: 2:30 - 3:30pm

Venue: Room 210, Run Run Shaw Bldg., HKU

All are welcome
